## NOTE FROM THE DIRECTORS:

*As we bring our production of BEST OF BROADWAY to a close, we want to take a moment to sincerely thank each and every one of you for your incredible support and dedication throughout this remarkable journey.*

*To our amazing cast and shining young performers—you have been the heart-beat of this show. Your talent, determination, and fearless creativity have been a constant source of inspiration. Watching you grow into confident, passionate performers has been a truly magical experience, and we couldn't be more proud of the exceptional individuals you are becoming.*

*To the parents and guardians, thank you for trusting us with your children's artistic dreams. Your support—whether through rides to rehearsals, helping with lines at home, or cheering in the audience—has played a vital role in the success of this production. Your encouragement has meant the world to us, and we are truly grateful.*

*As directors, educators, and mentors, it has been both an honor and a joy to be part of your journey. We've witnessed your growth, resilience, and the deep bonds you've formed, and we're confident that the experiences you've gained and the friendships you've built will stay with you long after the final curtain call.*

*Though this chapter is ending, a new one is just beginning. Whether you return to the stage with us or venture into new paths, know that you will always be part of our theatre family—and our doors will always be open to you.*

*Thank you once again for your passion, your commitment, and your boundless energy. You are the future of the stage, and we cannot wait to see where your talents take you next.*

*With all our love and admiration,*

*Your Directors,*

*Erica Lee Cianciulli, Malcom Ellis, Karly Meehan*
